Module Title

EM06
H&S Risk Assessment

Course Introduction

This seminar introduces the delegate to the steps required to carry out basic Risk Assessments in the Workplace

Course Objectives

This Seminar will provide delegates with a basic understanding of the various aspects involved in Risk Assessment and how these must be recorded and managed.

Learning Outcomes

- * To be able to identify areas of risk
- * To be able to prepare required forms
- * To have a basic understanding of the relevant legislation
- * To know how to carry out a Risk Assessment

Who Should Attend?

HR Personnel, Owner/Managers, Health & Safety Representatives, Health & Safety Appointees

The Presenter

Irene Keith is an Aberdeen law graduate who has recently obtained her masters in Employment Law from Robert Gordon University. She has worked for two major oil companies, in private practice, served as a local councillor on Aberdeen City Council and ran her own business providing advice to small businesses.

Certificates

Each delegate will receive a certificate of attendance on completion of the seminar.

Course Duration

half day
9.30 am – 1.00pm
